

Hoover Band Boosters Meeting

Secretary's Minutes of Meeting

Director – Ryan Rowley

President – Lana Luscombe

Treasurer – Amanda Swangel

Secretary – Jamie Smith

September 9, 2019 at 6:30pm

First booster meeting of the 2019-2020 school year.

The meeting started with the presentation of the Mattress Fundraiser via Custom Fundraising Solutions. We were told prior to the presentation that \$5.00 would be given for each adult in attendance and if we had a complete attendance, we could raise \$500.00. Although we did not have enough people, they still contributed the \$500.00! This fundraiser could make a lot of money for the band and since we are solely sufficient this is a very important fundraiser. October 5 is the fundraiser itself and all band members needs to volunteer.

Open the meeting: Lana called the meeting to order. First up was the Secretary's report and I, (Jamie), did not have the May 2019 minutes done so I promised I would have May 13 and September 9 ready for the October 7, 2019 Booster meeting. **Update: May 13, 2019 Minutes had been done and emailed to all involved on May 24, 2019.**

Treasurer's Report: Amanda said there was \$6,290.00 in checking and \$8,703.00 in savings. The major expenses were the shelving, drum major camp. Lana voted to accept the Treasurers report and Jamie seconded the motion.

President's Report: Lana talked about Jazz Fest for committee chairs and being organized by starting sign ups in Charms.

Director's Report: Mr. Rowley made the disclaimer that he is not a voting member of the Boosters, but rather makes requests for money via the Boosters.

We need help and lots of it and parents (can) play a critical role in the band's success. Mr. Rowley wants uniforms committee chair. Bryce Bone has gone all out with organizing the closets and getting uniforms under control and has been a huge help! We need people for games to make sure uniforms are hung up nicely and put away accordingly and then to exit the band room they have to have a ticket to give to the adult monitoring the exit doors. We need help getting the trailer back up and running and Doug (last name??) offered to help. The people that adopt the Husky dogs will march in the Beavertdale parade with Hoover. We need help distributing water in the parade to the marching band. Mr. Rowley talked about the every 2 and 4 year senior trips. He would like to do one this year to Kansas City for the day. They could participate in Music in the Parks and be judged, enjoy the park, have dinner, listen to some jazz and then head back home that evening.

Director's Report (continued): Josh Schilling and Aviva Johnson will be presenting the student reports at each band meeting so we are aware of what's going on from their perspective. The students have really stepped up and done so much more to help. There are 60 band members and 57 of them showed up at the last game.

Student's Report:

No student report available.
