A new field frame for VIBES was purchased. We will need more durable frames for the bass drum, but the pedal bells first.

SCIBA Jazz is December 14 and students should arrive Hoover at 7:00am and arrive back to Hoover between noon and 1:00. Packets of information are forthcoming.

Community Jazz Center not next week, but the following week. It's an all-day clinic at Hoover. Mr. Rowley would like to make Hoover the hub for Jazz!

Kids have been registered for the Drake Honor Band and will find out who made it around December 6.

Student's Report:

Students reported they performed at political event (Pete Buttigieg).

Old Business:

Mr. Rowley said \$2,300.00 was the Hoover Band take on the mattress sale and a portion of that was used on the field frame.

Becky said Clubs Choice raised \$382.00

New Business:

Mr. Rowley said, and Lana echoed, that we need to recruit more parents to the Boosters! He said Becky's handling of fundraising alleviates a lot of pressure for him and he's grateful.

We need a uniform committee. The cleaners will pick up the uniforms for free and clean them. We have 56. Mr. Rowley would like the committee so kids are more focused on the music and not stressing about the uniforms. They would need organized before and after an event.

We also need a moving crew to move instruments on and off the field for next year.

Shirt design is coming up. 14 bands registered for Jazz Fest as of today. We had 53 bands last year, but we are not fully registered until January 2020.
